WHAT MAKES CHS A TAB ABOVE THE REST?

spir • it (spir'it), *n.* 1. the vital essence or animating force in living organisms, esp. man, often considered divine in origin. 2. Vivacity or energy; ardor.

The driving force of any important task involves motivation, dedication, cooperation, and most importantly, spirit. Spirit can turn mountains into molehills and large problems into fun, easy tasks. It can also add a spark to life that ignites enthusiasm like a bonfire. This is the basis behind the theme of our 1985 *Ledger*, "CHS is the Real Thing," patterned after the highly successful Coca-Cola advertising campaign.

The 1984-85 school year has had its ups and downs, just as all situations do, but spirit has kept excitement and pride building and growing. Nothing can match the memories that have been created at CHS. This yearbook is designed to be tangible evidence of our high school years. So, from the 1985 *Ledger* staff, to the students, faculty, fans, and friends of Constantine High School, "This yearbook's for you!"

A. Researching reports is a long task but well worth the effort, as senior Kim Secor can attest. B. Our two local Bobbsey twins, Kim Isaac and Missie Mallo. C. Mrs. Ritzer lends a helping hand to Ray Stoddard's Geography assignment. D. Mike Wirick takes a break from his homework to honor us with his "surprised" look. E. Christina Egaña, our foreign exchange student from Spain says, "I enjoy the different people and customs you have here." F. Good times help keep the school year rolling, and Darci Simon, Jody Callaway, Hank Murphy, and Dale Graff certainly know how to enjoy themselves.

HOMECOMING

Homecoming, sponsored annually by the Student Senate, was again a glorious success. At halftime, the Homecoming King and Queen, Doug Banghart and Darcy Lemon, were crowned amidst a shower of fireworks. To appropriately cap the exciting week's events, the Varsity Football team posted a 26-6 win over the Colon Magi.

FALCON POWER

Dress up days, floats, an assembly, and a parade all contributed to that psyched-up feeling known as "FALCON FEVER," during CHS' Spirit Week. The winning float entry was the Senior class with "Bunny Busters." Although there was an absence of the traditional Homecoming games and class competitions, the spirit skits performed by the cheerleaders were entertaining and provided that enthusiastic feeling.

ACTIVITIES ARE THE

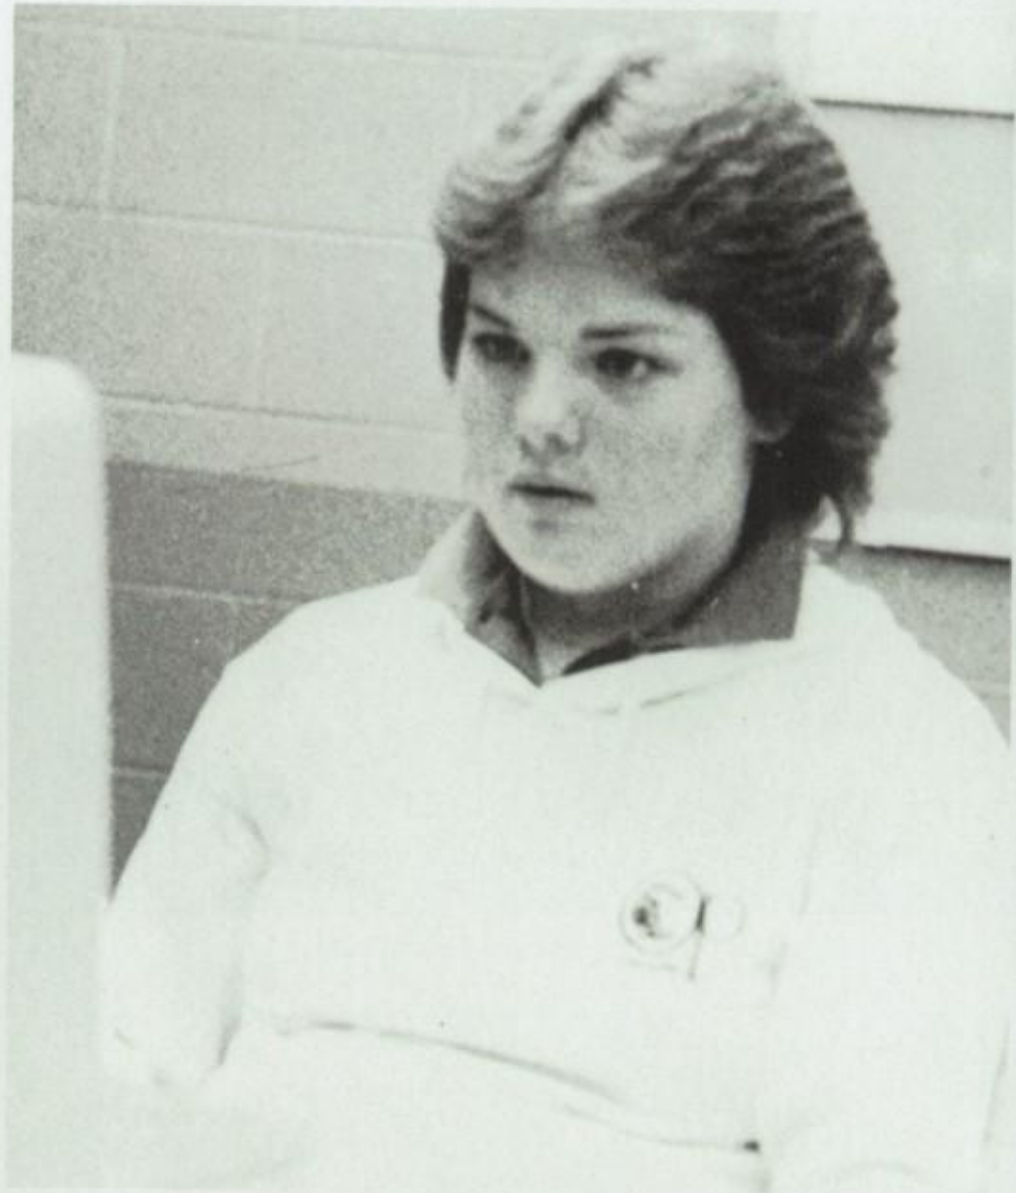

The many activities at CHS are endless, from Band to Pep Club, National Honor Society to Football, French Club to Office Aides. No matter what the interests or abilities of any person, there's something for everyone. In fact, just being a student at CHS is a commitment to an organization and a great activity in itself!

STUDENT SENATE SPELLS SUCCESS

Student Senate was active raising funds by selling carnations and sponsoring dances. Some of the activities they sponsored were: Homecoming, Snowfestival and the Morp dance. The Morp dance, a backwards prom, was a new idea. The Student Senate now hopes to make it an annual event. Their advisor for the 1984-85 school year was Mrs. Pat Forsyth.

Student Aides perform many useful and varied duties for CHS. Teacher's Aides assist in scoring papers, figuring grades, and taking attendance. Library Aides help the librarian, Mrs. Connelly, in checking out books and helping students in finding materials they need. Office Aides work in the high school office as assistants to the secretary, Mrs. Miller. They pick up attendance slips, answer the telephone, and run errands.

Other activities included a lock-in, a hayride, and viewing a Kalamazoo Wings hockey game.

ACADEMIC ALL-LEAGUE: Mike Wirick, Kim Evans, Christy Horn, Ron Ross.

Underclassmen participated in the Student Leadership Forum. Tina Melchi and Jennifer Summers were the representatives for our school. One outstanding characteristic left in the minds of the participants was the differences in action taken by students of other schools.

An academic All-League team based on GPA's and ACT test scores, was chosen for the first time. Constantine was fortunate to have Mike Wirick named team captain. Three other CHS students placed on the team, thus giving Constantine the most representatives from any league school.

Though the National Honor Society began the year as a small group with only five people, the induction in April added thirteen new members. Main activities by the organization included the annual Charity Auction, the distribution of fund raising money to the Library for the purchase of new books, and the establishment of the Honor Students of the Month program, where nominated students are recognized each month by their teachers as being particularly outstanding. Members strove to practice the four ideals of the National Honor Society, scholarship, leadership, character, and service, in their daily routines at home and at school.

Officers for the 1984-85 year were: President, Kim Evans; Vice-President, Patty Heflin; Secretary, April Bartow; Treasurer, Karla Lucas.

LEADERSHIP COMMITTEE ESTABLISHES SADD

The Student Leadership Committee was organized by students to have more input in the school's policies. They met before school to discuss such controversial issues as open campus lunches and weighted grading. They then took their comments to the principal. The SLC also started a chapter of SADD (Students Against Drunk Driving) and sponsored an assembly and a SADD week as part of their role as leaders.

VARSIITY CLUB SPARKLES WITH PRIDE

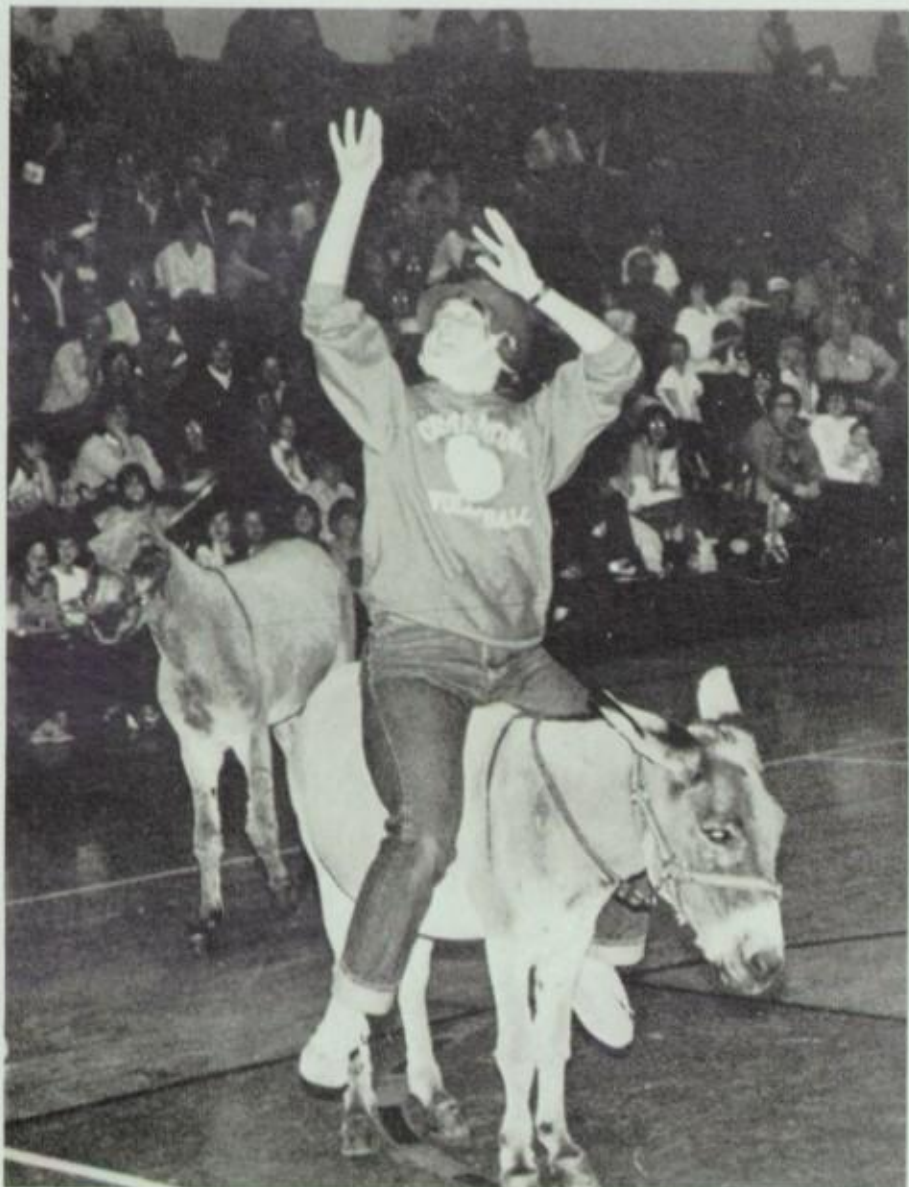

The main goals of the Varsity Club this year were to be of service to the athletic department and the school, and also to upgrade the image of the athlete at Constantine High. As a way of meeting their required total of five service hours, the members sold tickets at athletic events and helped set up chairs and tables before sports banquets. Although the group was unable to carry out some of its intended projects, they did attempt to bring respect to the otherwise inactive club. Membership in the Varsity Club requires a varsity letter from any sport at CHS and a scholastic average of at least a C.

SPIRITED SCIENCE CLUB SIZZLES

This year CHS saw something new, a science club. The main goal of this club was to increase the interest in the area of science. This was accomplished by entering the Science Olympiad. The club managed to place 4th at regional competition which allowed them to compete at the state Science Olympiad. The state competition was truly a learning experience for the club. The Science Club also sponsored one main money making project which was a donkey basketball game. It was a very successful year for a club that was just getting started.

FRENCH CLUB RAISES FUNDS FOR TRIP

The French Club spent most of the school year raising money for its annual trip to Quebec City in Canada. Since the "club" is actually the French II class, members also learned about the historic sites they visited in Quebec and tried to become as fluent in French as possible. Many of the members deemed the trip a terrific success and a great way to learn more about French culture and the language.

Spanish Club went to Puerto Vallarta, Mexico over spring vacation. They tried all kinds of activities to raise money. Selling carnations and pizzas during games were a few of their fund raisers. They also washed cars during last summer. Spanish Club enjoyed the warm weather and beautiful beaches on their trip. They went sightseeing and, of course, they practiced their Spanish.

Snowfestival Gurgles With Excitement

The 1985 Snowfestival was a pleasant diversion from the rigorous routine of school work. Among the diversions of the week were dress up days and activities performed on Friday afternoon. Although losing to the White Pigeon Chiefs, the Falcon guys gave them a battle, losing by only 3 points, 47-43.

Juniors had high hopes.

1985 HIGH FLYING FALCON BAND

The 1984-85 Marching Band really ripped up the field with many great performances. NEW EXPERIENCES CHALLENGE EXCHANGE STUDENTS

This year Constantine's halls were filled with culture due to the addition of our two exchange students, Christina Egana and Ernesto Penovi.

Christina, from Spain, said the best part about becoming an exchange student was meeting new people and making friends. Becoming more independent, learning the English language through experience, and encountering a different culture were all things that she enjoyed. Christina said she had no bad experiences in being an exchange student and would recommend becoming an exchange student to anyone interested.

Ernesto, from Buenos Aires, Argentina, also said the best thing about becoming an exchange student was meeting new people. Learning to speak English through experience, becoming more independent and more responsibilities are all events he enjoyed. He disliked American competitiveness, and commented that the high school cafeteria food was his only bad experience in becoming an exchange student.

So, this is graduation.

PRINCIPAL'S AWARD

Hank Murphy, Becky Richards

Recipients for the 1985 Principal's Award are Hank Murphy and Becky Richards.

Principal's Award recipients are selected by Mr. Deller. He rules out people who are elected as class officers and looks for a person who demonstrates a willingness to do services for the school, students, and faculty. In his words, he picks "someone who cares."

Top Ten has worked hard during their four years in CHS. Their grade point average is figured from the first semester of their freshman year through the first semester of their senior year. The ten with the highest grade point average are then awarded this honor.

CHS SCHOLARS HONORED

Ten seniors were honored for their outstanding academic achievements in a new program instituted by President Reagan, the Presidential Academic Fitness Program. The program was started as an effort to recognize excellence in academics. To qualify, students must have a required grade point average, have shown proficiency in difficult classes, and have superior scores on college entrance examinations.

Each year, teachers select seniors who have excelled in a particular area of school to be honored with the Departmental Award of that particular subject. These students are then honored at the annual Honors Banquet along with many other academic award winners. The Departmental Award winners are presented with pins that depict the area in which they excel.

The Nancy Hoopingarner Memorial Scholarship, sponsored by the American Legion Auxiliary, was awarded to Ileana Whiteman.

A NIGHT

The Junior-Senior Prom was "A Night in Heaven." The romantic atmosphere was enhanced by the fact that it was held in the Holidome of the Three Rivers Best Western. Couples danced "under the stars" to the music of Felix. The Grand March gave the girls an opportunity to model their gowns, while the theme song "Heaven" by Bryan Adams was being played in the background. The theme was creatively carried through with silver stars, floating balloons, streamers, and pearly gates; the entrance to the evening. The post-prom activities, for most couples, included bowling and a trip to the dunes.

Jill Glover and Rich Bucholtz share a tender moment.

Felix provided the music for dancing.

GRADUATES BUBBLE

The Class of 1985 graduated 97 seniors on Sunday, June 2, at Sweetland Stadium. The commencement program featured speakers; Pastor Gary Hinkle of the Trinity Missionary Church, valedictorian Christy Horn, and salutatorian Robyn Carter. The 114th annual commencement took place before an overflowing audience. At the end of the 45 minute ceremony, the sea of red and white gowns switched their tassels from the right to the left, signifying their new status as Constantine High School graduates.

"It takes two Chiefs to bring down one Falcon," Eric Outman says.

At the start of the 1984 season, Constantine's Football team had high hopes of improving a disappointing 1983 season. With 12 returning lettermen, the Falcons were ready to show everybody that they were a force to be reckoned with by finishing 6-3.

"Defense" was the name of the game for the Falcons this year as they held opponents to a game average of 171 yds. of total offense. Led by the tackling of Doug Banghart (133 tackles) and Dave Martin (74 tackles), the RED POP "D" punished opponents with their stinging hits. But the Defense wasn't the only part of the team to shine this year, as "The Big Red Machine" rolled up plenty of yardage with a balanced attack.

Headlining the offensive attack was George Ersland who ran for 718 yds. and had 145 carries for 10 touchdowns. Junior Steve Hocevar led the team from the quarterback position and completed 67 of 145 passes for 747 yds. and 5 touchdowns. His favorite target was Eric Outman who brought down 25 passes for 267 yds.

1984 was definitely the year of the Falcon. Constantine Girls' Basketball had a record-breaking season with the help of six returning letter winners, and three outstanding newcomers.

Constantine's schedule was the toughest ever, and the girls worked hard to be successful. Finishing 4-2 in the non-league schedule was a great accomplishment when challenging teams such as Loy Norrix, Kalamazoo Christian and Bronson. The league record, 11-3, also reflected hard work and success.

The highlight of the season was the second game against Centreville. In the first game the Falcons lost a close contest to the Bulldogs. Working hard towards the next encounter, the Falcons rebounded to ruin Centreville's hopes of an undefeated season.

The Constantine Girls' Basketball team placed two members on the All-Conference team in 1984, seniors Karla Lucas and Jamie Rumsey. Both also made All-Area teams along with Tina Rink who received Honorable Mention. Lucas became the second all-time leading scorer with 438 points. She was the team's leading scorer for the past two years. Rumsey was the leading rebounder with 203. Kim Moe was the assist leader in '84 with 58. Chris Melville had the leading field goal percentage of 38 percent, making 44 of 117. Chris was also voted team captain for 1985. There were also three four-year award winners; Darcy Lemon, Karla Lucas and Jamie Rumsey.

The Cross Country team was inexperienced, but full of dedication. Dale Graff broke the school record and received the award of the Most Miles Run, with 393, by following the team motto, "The more miles you run the better you become." "The more time you waste and wait, the less you get accomplished. CHS has helped me see that you should get up and get going, because life's fun times aren't going to come and get you, you've got to want them."

Lisa Sheteron

"The thing that will benefit me most, besides what I have learned from general classes, is the ability to understand people. I'm glad I was able to be subjected to so many different occasions."

WHAT DOES THE "REAL CHS" MEAN TO . . . UNDERCLASSMEN?

"To me, the real CHS means students caring for other students, students being No. 1 in all sports, and students being proud to go to CHS."

Alfred Hooker

"The real CHS means having "Falcon Pride," being part of the great winning tradition in sports, and now in academics.

Doug Polasek

What does the "Real CHS" mean to you?

"The real CHS means that the level of competition is a lot higher."

Kim Moe

"The Real CHS means a school that has athletic students who are very spirited in extracurricular activities."

Jenny Ward

Jenny Ward

"The people are what I enjoy most at CHS. They are the greatest around!"

Richard Bucholtz

What do you enjoy most about CHS?

... AND OUR SPIRIT BUBBLES ON

On this concluding page of the 1985 Ledger, the Yearbook staff would like to extend its thanks to the following people; Mr. George Murphy, for Photography, Mr. Jack Deller, for his help and support in many instances; and Ron's Pharmacy, for last minute film supplies.

A very special thanks also goes to Mrs. Sue Lowler, our advisor, for her help and assistance throughout the year. Appreciation should also be directed to the CHS Student Body. Our new ideas and goals could never have been achieved without the support of our fellow peers.
